CLASS DESCRIPTIONS:

Jazz: Learn the latest moves to all your chart favourites. This class will teach the basic fundamentals of ballet, jazz, hip hop and the moves from music videos, including kicks turns and spins. Emphasis is placed on rhythm, coordination and enjoyment. You will get all of this plus a great workout. Classes are offered for beginners, advanced and elite students.

Lyrical: Lyrical Dance combines the rebellious style of modern dance with the grace and beauty of ballet. The movement and intensity of this class will have you all over the dance floor- engaging your every body part in radical expression that creates beautiful shapes, long lines, and powerful motion. Lyrical is every reason why you should dance!

Acrobatics: Acrobatics, or 'acro', is a dance style that focuses on balances, tumbling and movements that show off flexibility. Students begin each class with a floor warm-up that includes strengthening and flexibility movements specifically geared to acrobatics. Each student progresses at his or her own speed, using a syllabus that emphasizes safety in execution and mastery of a movement before progressing to the next level of difficulty.

Hip Hop: A fun, popular, and energetic, street dance which combines the Hip-Hop modes of popping, locking, stepping, into choreographed routines, which are featured in many music videos today. Groove to the beats of the latest songs as you warm-up and learn an exciting, funky dance routine. All movement and music will be age appropriate.

Musical Theatre: For kids who love to sing, dance and act! Our Musical Theatre / Glee classes work with traditional Broadway musical repertoire, working throughout the year on mini productions which combine singing, dancing and acting, a great class to boost performance confidence!

Lil'Dancers: A child's first steps in dance are the most important and Talent Co. has developed one of the most extensive pre-school dance programs in Perth. We offer 7 Lil'Dancer (Jazz, Ballet & Kindy Gym) classes per week all 'pay as you attend'. Our Lil'Dancer classes promote confidence, creativity and physical health. Students are encouraged to develop a love for learning through dance, music and imaginative play. Exercises and activities are designed keeping in mind the physical and cognitive ability of children this age. Our Lil'Dancer students benefit from learning correct dance technique as well as team work and correct behaviour in a group setting. For many students, dance classes may be one of their first experiences in a social, learning environment. Our teachers are handpicked for their rapport and their communication skills and they are attune to the needs of our students. These classes are pay as you go.

5 Combo is Jazz, Tap and Ballet Combined. This class is only available for 4 and 5 year olds

For other class descriptions and further information, please see our website www.talentco.com.au
